## What others have said:

“Thoroughly relevant,  
very enjoyable”

- (Shona, ICU nurse and midwife)

“Fabulous course – I’ve learnt  
so much and very relevant!”

- (Alexandra, ED nurse)

“Fantastic seminar, definitely  
would recommend”

- (Lauren, Critical Care Nurse)

“Evidence-based and  
presentation was engaging”

- (Rose, ICU & ED nurse and  
midwife)

**Who should attend:** Intensive care nurses and doctors, cardiac nurses, emergency nurses, anaesthesia nurses, paramedics, medical staff and any health professional interested in learning about critical illness in maternity patients.

**The lead presenter:** Dr Wendy Pollock is a critical care nurse and midwife who undertook her PhD on critically ill pregnant and postpartum women. She has extensive clinical, education and research experience on illness in pregnancy.

This is a satellite meeting of the World Congress of Intensive Care – see [www.worldcongressintensivecare2019.com](http://www.worldcongressintensivecare2019.com)
